

How it works:

Please collect all required documents according to our checklist, add important information in the box below and choose a service package.

Send copies of all documents by regular mail or upload your documents to our secured and encrypted data upload service.

www.deloris.ch/upload

Did your situation change? Or are you sending documents that require further explanation?
Is there anything else we should be aware of?
Please let us know (i.e. change of address, new marital status, religion, children, purchase/sale of properties, foundation of a company, receiving a gift or inheritance, information about foreign bank documentation, etc.):

To make sure we can contact you for any enquiries, please provide your details:
